**EMPLOYMENT CERTIFICATE**

On request, I confirm that **Samuel Le Nenes** (born 20 October 2003) has completed an internship at WithSecure Corporation in Helsinki, Finland from 15 January 2024 to 23 February 2024.

The internship was supervised by the Group Financial planning, reporting and analysis (FPR&A) team.

Samuel's main tasks have been the following:

- Validation and maintenance of the customer master data in the group's Salesforce system
- Other master data validations and corrections
- Analysis and data presentation of the operating expenses of the group with different controllers
- Analysis and summaries of the revenue and order intake with the revenue controller
- Proofreading the Annual report 2023, and comparisons of the language versions
- Verifications of the Investor relations website content
- Introductory sessions of the cyber security threat landscape, WithSecure product portfolio and commercial management

Samuel has performed all tasks assigned to him with great diligence and care. He is very pleasant to work with and demonstrates an open attitude to new work tasks and situations. I can recommend him to similar tasks.
